160A Distribution Box Specifications

Overview

The VIOX UKK-160A is a green, 1-in-6-out power distribution block for medium to large industrial applications. 160-200A/690V rating, with dual input options (6-16mm²/10-70mm²). Features nickel-plated brass, UL94V-0 PC housing, and a transparent cover. Press Home for minimum width and End for maximum width. Line side and load side number of connections are per pole. DIN rail mount, M5 screw fixing. Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via. Robust, durable 160A metal distribution cabinet with padlockable doors. A distribution cabinet is a piece of equipment used. The JH8415 distribution junction box is the ideal choice for self-built stations, featuring high voltage capacity (500V), a rated current of 125A, and durable materials, including a nylon shell, polycarbonate transparent components, brass conductors, and robust 45# steel screws, ensuring reliable.
