

Distribution box model bx210

Overview

FLEX-BX210-Q470-i7D-R20 IEL Industrial Box PCs 2U Modular box PC, Intel 10th Generation Core i710700TE datasheet, inventory & pricing. The FLEX-BX210 is a 2U rackmount computer engineered with the latest processing technology that supports up to 10-core, 20-thread Core i9 CPU and 16GB dual-channel DDR4. With high-end PCIe slots for AI accelerators and M. Equipped with 11th/10th generation Core i9/i7/i5/i3 CPUs, PCIe 3. Currently, Taiwan has become a global supply base for industrial electronic equipment, and we aim to contribute to the development of. Read the user manual before connecting the system to the power source. Vorsicht! Bitte lesen Sie die Bedienungsanleitung, bevor Sie das System an eine Stromquelle anschließen. Attention! Avant de brancher le système à la source d'alimentation, consultez le mode d'emploi.
