

Fiber Optic Connector Product Code

Overview

HS Code 85367000 refers to connectors specifically designed for optical fibers, optical fiber bundles, or cables. Connectors for. The E-2000® connector, invented by DIAMOND, delivers unmatched reliability and precision in fiber-optic interconnects - making it the ideal choice for critical transmission points across telecom, industrial, medical, and more applications. By checking this box I confirm that I have read the Privacy. When importing or exporting a product, the Harmonized System Code (HS Code) for the product is often required on the customs documents. In. Fiber Optic Connectors are in stock with same-day shipping at Mouser Electronics from industry leading manufacturers. Mouser is an authorized distributor for many fiber optic connector manufacturers including Amphenol, Broadcom, Glenair, Molex, Neutrik, Radiall, TE Connectivity & more. Fiber Optic. Amphenol's 100G QSFP28 optical modules include SR4, AOC, AOC break out, CWDM4, LR4, ER4 Lite, ER4 and ZR4 series, which adopt LC or MPO optical ports and are compatible with IEEE802.3bm, SFF-8636 and other standards; With low power consumption and small size, it is mainly used in 100G data center. Something went wrong. If the problem persists contact the administrator.
