Gas Station Network Explosion-proof Distribution Box

Overview

The enclosures are certified Ex d IIB+H2 and Ex tb as well as "explosion-proof". They are available in many sizes, a wide range of operating elements and monitoring functions can be integrated. Atex Delvalle provides a custom made facility for hazardous area stainless steel Aisi 304L & Aisi 316L Atex and IECEx Certified junction boxes, terminal boxes, large atex enclosures, Empty enclosures. The Ex junction boxes that we have in stock ready to same day shipping, the full customized. Safely conduct, connect and distribute energy in hazardous areas with R. Our products are certified for installation technologies all over the. EGJ explosionproof junction boxes from Eaton's Crouse-Hinds Division are designed for flush installation in the concrete pump island of gasoline service stations.
