

Gjyfjch Butterfly-shaped single-core optical cable

Overview

The GJYXCH/GJYFXCH Self-supporting Butterfly Lead-in Fiber Optical Cable (FTTH Drop Cable) is designed for aerial installation. Its innovative design positions the communication unit at the core, flanked by two parallel non-metallic strength members (FRP) for enhanced compression resistance and. Experience the advanced self-supporting butterfly-shaped GJYXFCH optical cable by Yancheng Jingze New Material Technology Co. Ideal for your requirements, this innovative solution stands out in performance and design. A: As factory, we can accept 1kM as the minimum order quantity. Q: Is there any test or inspection before hand over the goods?

A: Yes, all cables will be test and have inspection report before we hand over the goods to customers. Q: How long will the warranty be?

A: We offer all our customers with. Tell us your business needs, and we will find the perfect solution.
