

How much does it cost to reuse a junction box

Overview

If the box is metal, deeper in-wall, or requires wiring re-run, the price commonly rises to \$350-\$700. Discover how electrical enclosure reuse and recycling cut costs, reduce waste, and boost sustainability while supporting a circular economy. Often made of. The answer to 'how much to replace junction box' is that the cost can vary significantly depending on several factors. Generally, the typical range for replacing a junction box is between \$150 to \$500, but the actual price will depend on your location, the size and complexity of the junction box. Junction box installation costs \$100 to \$300 for parts and labor, depending on the installation location, accessibility, and the electrical box size, material, and indoor or outdoor rating. Plastic junction boxes for indoor wiring cost 50% to 80% less than metal boxes but aren't as durable.
