

Huijue G610 Fiber Optic Switch

Overview

Affordable: This affordable, industry-leading Gen 6 Fibre Channel switch gives small to mid-sized data centers high-performance storage access, and the freedom to scale on demand from 8 to 24 ports. A point-and-click user interface makes it all fast and easy to install. With its combination of up to 32G performance, unmatched simplicity, and enterprise-class. Designed for maximum flexibility, this entry-level switch offers pay-as-you-grow capability to easily and cost-effectively scale from 8 to 24 ports with Ports on Demand (PoD). With its PoD capability, the Brocade G610 provides excellent overall value and the agility needed to enable rapid. The Brocade G610 provides an affordable storage switch without compromising on performance and reliability. 1U, nonport-side intake airflow, port-side power inlet.
