

# Optical Module 243s

## Overview

MXPD-243S-C - Transceiver Module Networking, General Purpose 1000Mbps 1310nm 3. 3V LC Duplex Pluggable, SFP from ATGBICS. Pricing and Availability on millions of electronic components from Digi-Key Electronics. In addition to MXPD-243S, Liyuan Tech has a wide range of other Huawei optical transceivers. If you have any need or interest, please feel free to send inquiry to [global@chn-liyuan.com](mailto:global@chn-liyuan.com). Form Pluggable (SFP) industry standard package utilizing an integral LC-Duplex optical interface connector. This product operates within a commercial temperature range. Digital optical monitoring (DOM). High quality 100% Original SFP IHuawei 1. 25G 1310nm 10km MXPD-243S SFP fiber Optical Transceiver from China, China's leading product market Huawei Optical Transceiver product, with strict quality control Huawei Optical Transceiver factories, producing high quality Huawei Optical Transceiver. All products are original, sourced from reputable suppliers.
