

Peru Integrated Communication Cabinet

Overview

The Cabinet of Peru (also called the Presidential Cabinet of Peru or the Council of Ministers) is composed of all the Ministers of State. The cabinet is presided by the President of the Council of Ministers, a position likened to that of a prime minister. The Prime Minister presides over the meetings of the Council of Ministers, unless the President of the Republic is present. Legal statusActivePurposeAdvisory body to the president of PeruLocation, , President of PeruFunctionsThe Cabinet has, under the Constitution, the following main duties: 1. Approve laws that the President submits to Congress2. Approve legislative decrees and also urgent decrees that President of the Republi. Ministers of State are in charge of managing politics and the activities of various sectors that direct and manage public services. The requirements to be a Minister of State are to be by birth, a citizen, a.
