

Spanish Dust Explosion-proof Lighting Distribution Box

Overview

The ATEX 4 way Distribution box to provide power supply in a ATEX area 110v 16a is a fully compliant, intrinsically safe luminaire designed for use in potentially explosive atmospheres, ensuring safety and reliability during critical operations. Atex Delvalle provides a custom made facility for hazardous area stainless steel Aisi 304L & Aisi 316L Atex and IECEx Certified junction boxes, terminal boxes, large atex enclosures, Empty enclosures. We offer bespoke, custom-made terminal boxes and terminal box combinations, as well as standard products with short delivery times. Our products are certified for installation technologies all over the. Zalux, part of the TRILUX Group since 2000, is a proven specialist for luminaires with higher protection ratings. Engineered for Zone 1, Zone 2, Zone 21, and Zone 22. Supermec ATEX Junction Box & Enclosures are designed to satisfy most of our clients' requirements for CONTROL explosion-proof and flameproof enclosures. All explosion-proof enclosures, lighting or power distribution boxes are manufactured using the latest technologies, both mechanical and.
