

Sudanese power distribution cabinet intelligent dehumidification device

Overview

The utility model discloses an intelligent power distribution cabinet dehumidifying device for an electric power system, comprising: the intelligent power distribution cabinet comprises a dehumidification casing, an intelligent power distribution cabinet body and a humidity. The utility model discloses an intelligent power distribution cabinet dehumidifying device for an electric power system, comprising: the intelligent power distribution cabinet comprises a dehumidification casing, an intelligent power distribution cabinet body and a humidity. The utility model discloses an intelligent power distribution cabinet dehumidifying device for an electric power system, comprising: the intelligent power distribution cabinet comprises a dehumidification casing, an intelligent power distribution cabinet body and a humidity sensor, wherein the rear. Buy SYZ-CS1000 Intelligent dehumidification device Power distribution cabinet anti-condensation dehumidifier Condensation drainage at Aliexpress for. Find more 1420, 153713 and 1537 products. Enjoy ✓Free Shipping Worldwide! ✓Limited Time Sale ✓Easy Return. Sell Intelligent dehumidification device for power distribution cabinet intelligent Drainage type dehumidifier model CS001/SYZ-C2000B. Working power supply: AC/DC85-265V, power 20W. Direct-sale by China Manufacturer. The humid air is sucked into the dehumidification duct under the action of a fan. With the rapid development of information technology and the emergence of new technologies, the intelligent dehumidification auxiliary monitoring system of distribution cabinet must be a high-performance and scalable computer network architecture, which uses monitoring and data analysis technology. The intelligent dehumidification device adopts the semiconductor refrigeration dehumidification method.
