

Swiss electrical distribution box and socket installation price

Overview

For a new building, you should expect to pay 3 to 5 percent of the construction costs or 100 to 200 Swiss francs per square meter of living space for the electrical installations, and for a renovation, 3 to 5 percent of the renovation costs. The cost range for an average single-family home is from. Our offer includes switches, plugs, socket outlets, installation accessories (mounting boxes, junction boxes, adaptors for wall mounting, protection covers, cable glands) portable socket outlets and lamp holders among others. Seven different designs of each product line ensure that every customer. Each parking spot has a cover (see pictures) where you can very easily install a standard swiss power socket. The distribution box cost encompasses not only the initial purchase.
